Re: Holly Springs Reclaimed Water Distribution System Extension
Request; Application for Approval RWDL 01-12
Project: **RECLAIMED Water** –

Dear Sir or Madam:

Please find enclosed the following items in application for a RECLAIMED water extension permit to the Town of Holly Springs' existing reclaimed water distribution system:

- One Original and two copies of State application RWDL 01-12
- One Original and two copies of Instruction RWPI 01-12
- Developer Certificate of Ownership Letter
- Review Fee check (check most current fee schedule)
- Three sets of sealed plans prepared by the consultant engineer
- Three copies of the locally-required Reclaimed Water Extension Design and Application Certification (Form 3016)
- Three copies of the Town Engineering Design and Construction Standards Reclaimed Water Distribution System Section - to be used for the project in conjunction with the State's extension standards

Feel free to contact me at 557-3938 should you have any questions or need additional information in order to process this application.

Sincerely,

Kendra D. Parrish, P.E.
Director of Engineering

cc: Project Consultant Engineer,
Office Manager (for addition to Reclaimed Permit Log)
Rodney Campbell, Development Inspection Administrator
Seann Byrd, Director Public Utilities
