Presenter: None

Action(s):

Adoption of the Calendar Year 2019 regular meeting schedule.

Explanation:

While the Town Council meets at 7 p.m. the first and third Tuesday of each month, and Council work session at 6 p.m. the second Tuesday of each month, an official calendar of these meetings is adopted by the Town Council and filed each year in the Town Clerk's office for the public. By adopting an official schedule each calendar year, the Town Council also has the opportunity to consider in advance any conflicts the regular and workshop meetings schedule may have with events or holidays and make changes to times or dates accordingly.

It appears the only possible conflict would be Jan. 1, 2019 which falls on a holiday. If the council would like to cancel this meeting, now would be the time to do so.

Staff asks that the Town Council adopt the Calendar Year 2019 regular and workshop meeting schedule with or without changes, at the Council's discretion.
