

Fitness Center Operating Procedures

1. The Hunt Fitness Center will operate at a reduced capacity not to exceed thirty percent (30%) of maximum occupancy or 18 people in the Fitness Center at one time.
2. All individuals are expected to maintain social distance of at least six (6) feet whenever possible. Social distancing and reminder signage will be posted throughout the facility.
3. Members and staff are required to wear face coverings at all times.
4. Alternate cardio machines will be unplugged to allow for social distance.
5. Members are expected to use the provided cleaning supplies to sanitize shared fitness equipment before and after each use.
6. Frequent hand washing and/or use of hand sanitizer is encouraged.
7. Locker rooms and showers will be available with adherence to social distancing.
8. Members are encouraged to provide their own water bottles. Water fountains will be inoperable.
9. All members are required to self-monitor and conduct self-assessment screenings for COVID-19 related symptoms prior to visiting the Fitness Center. Temperature checks are encouraged. Any individual experiencing symptoms such as fever, cough, or shortness of breath should stay home.
10. If a member is diagnosed with COVID-19, they should not visit the Hunt Fitness Center until they can answer YES to the following:
 - ✓ No fever for at least 72 hours since recovery (without fever reducing medicine) AND
 - ✓ Other symptoms have improved AND
 - ✓ At least 10 days have passed since first symptoms
11. Upon receiving notification of a member with a positive COVID-19 case, Holly Springs Parks and Recreation will follow all required steps issued from the NCDHHS regarding necessary facility cleaning and disinfecting and member communication.

Staff Responsibilities

1. Employees will adhere to the guidelines as established in the Holly Springs Parks and Recreation COVID Personnel Procedures.
2. Perform self-screening health assessment before reporting to work. Temperature checks are encouraged. If employee has experienced COVID-19 symptoms, notify supervisor and do not report to work.
3. Wear a face covering when in public. Follow CDC guidance for wearing face coverings.
4. Hunt Center staff will perform routine environmental cleaning and disinfection of the fitness equipment and high touch areas. Staff will follow NCDHHS guidance for cleaning and disinfection protocol.

Updated 11.23.2020

These guidelines and protocol are established based on best practice recommendations for operating indoor fitness facilities as suggested by the Center for Disease Control and Prevention (CDC) and the NC Department of Health and Human Services (NCDHHS).
